Service Eligibility

Membership visits are valid **only for chiropractic and acupuncture services provided by Dr. Grace**. Membership visits may not be applied toward services provided by any other practitioner, therapist, or provider within the practice.

Monthly Billing

Membership fees are automatically charged monthly on the date of enrollment and will continue until the membership is cancelled.

No Refund Policy

All membership fees are non-refundable. No refunds, credits, or partial refunds will be issued for unused services, missed appointments, or cancellations after a monthly payment has been processed.

Visit Expiration

Membership visits must be used within the billing month in which they are provided. Unused visits do not roll over to future months and have no cash value.

Pausing or Cancelling Membership

Members may pause or cancel their membership at any time. Requests to pause or cancel must be submitted before the next billing date to avoid the upcoming charge.

When a membership is paused, no additional monthly charges will be processed until the membership is reactivated. Any unused visits from previous billing periods will not be retained during a pause.

Family Membership Eligibility

Immediate family members are defined as spouses/partners and dependent children residing in the same household as the member. Proof of residency may be requested. Membership benefits are not transferable outside of the immediate household.

Appointment Scheduling

Appointments are subject to provider availability. We request at least 24 hours' notice for appointment cancellations or rescheduling whenever possible.

Membership Changes

We reserve the right to modify membership pricing, benefits, or terms with reasonable notice to members.

By enrolling in the Chiropractic Membership Program, you acknowledge that you have read, understood, and agree to the terms outlined in this policy.
